

Building positive futures

WARWICK SENIOR HIGH SCHOOL PROVIDES VET OPPORTUNITIES THAT ENABLE STUDENTS TO GAIN NATIONALLY RECOGNISED QUALIFICATIONS AND WORK EXPERIENCE WHILST AT SCHOOL.

VET ENGAGES STUDENTS IN WORK RELATED LEARNING, BUILT ON PARTNERSHIPS BETWEEN SCHOOLS, TRAINING ORGANISATIONS, BUSINESS, INDUSTRY AND THE WIDER COMMUNITY.

Opportunities in VET include:

- Certificate II, III and IV nationally recognised qualifications
- Pre-apprenticeships and paid School Based Traineeships, through which students can gain a qualification in an industry area of interest
- Courses through TAFE, MTAWA (Motor Trades Association) and CET (College of Electrical Training)

Certificate courses contribute points to the Western Australian Certificate of Education (WACE). Courses offered at Warwick Senior High School include:

- Certificate III in Business
- Certificate II in Community Services
- Certificate II in Construction Pathways
- Certificate II in Sport & Recreation
- Certificate II in Workplace Skills (formerly Certificate II in Business)

The Workplace Learning Program enables schools and industry to work together to provide opportunities for students to prepare for the workplace. Students have the opportunity to develop and demonstrate employability skills required for the world of work whilst helping them decide if a particular industry or job is right for them.

VOCATIONAL EDUCATION

& TRAINING (VET)

Westfield

"The VET program provided me with opportunities I never would have thought I could have. The VET team encouraged me to apply for a Business Traineeship with Maxima. If I hadn't decided to apply I would never have gained the amazing traineeship I have now. I have been involved in real life work situations providing me with the experience that students my age don't usually get. I have made great friends in the workplace and been offered additional work shifts outside of school hours. VET has been a real game changer for me and I look forward to experiencing the opportunities that will be presented to me in the future."
