PRINCIPAL'S REPORT

Building Update: Completion is near!

From a quick look at our new Performing Arts Centre and STEM buildings, it seems as though they are pretty much finished!

I have spoken to the building supervisor who has confirmed that they are, but there still needs to be a handover from the builders back to government before we take possession of them.

On the ground preparation before the building commenced, I was adamant that as many grass trees should be rescued and retained for replanting around the new building. There were 12 grass trees and 20 native trees that have been replanted by landscapers now.

Ms Lesley Wintle
Principal

Dancefest Tickets Now on Sale

Book your tickets to one of Warwick SHS's most anticipated events of the year, Dancefest! Book via:

<https://events.humanitix.com/born-to-perform-dancefest-2025>

Congratulations to all students who participated in the High School Cup Netball Grand Final day on Wednesday 20 August.

The lower school girls team were victorious against Melville SHS winning 42-22. A big congratulations to Year 7 pocket rocket, Siahna Koteka, who was awarded Most Valuable Player (MVP), playing the entire game in centre position.

Warwick's senior school boys team were also the champions in their division. They have worked hard for two years to make this happen. From losing by 5 goals in the grand final in 2024 to winning by 5 points this year, was an incredible result.

The Senior School girls team unfortunately missed out competing in the grand final by 2 goals, going down to Manea Senior College in the semi-finals. This team went on to win Bronze in the play offs.

The Netball Program Coordinator, Ms Meg McLearie, stated she "felt overwhelmed with pride" at the teams' success in this event! She added "Getting to spend my day watching the students shine like this, is always a high light of the year. GO TEAM WARWICK"

HIGH SCHOOL CUP NETBALL GRAND FINAL

Try A Trade Civil

Try A Trade provides students with an opportunity to 'have a go' at various trades such as bricklaying, stone masonry, ceramic tiling, solid plastering, wall and ceiling lining, painting and decorating and carpentry in a real trade training environment.

The program seeks to:

- Provide students with practical interactive trade experience through a fun, hands-on experience.
- Raise awareness of construction as a viable career option by giving students a taste of different trade areas.
- Help students make informed choices about available study options in Year 11 and 12 or post school, by showcasing the exciting trade and apprenticeship career pathways available

Year 12 North Metro TAFE Tour

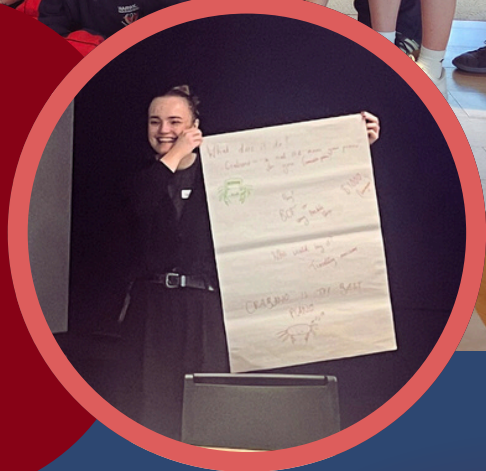

As part of the Future Pathways to Success program, the Year 12 students recently visited Balga TAFE, the specialist centre for trade training. Students had the opportunity to tour a wide range of training areas, including carpentry, furniture making, barbering and plastering. They gained valuable insights into trade specialities, future study options and career opportunities.

We are proud to support the Year 12 students as they prepare to apply for TAFE in the coming months and take the next steps in their education beyond school. We are also looking forward to the upcoming tour of Northbridge TAFE, where students will explore even more training pathways and career opportunities.

Ms Zoe Keil
Career Practitioner

ABCN YEAR 9 FUTURE THINKERS

As part of the Year 9 Career Taster Program, students have the opportunity to take part in a "Future Thinkers" workshop in the Australian Business and Community Network (ABCN). Future Thinkers aims to build creative and innovative problem solving skills through the process of design thinking. The workshop involves small groups of students working with mentors in teams to create solutions to a problem using the design thinking methodology, and at the end of the session the students present their results.

ONLINE ART GALLERY

Coming Soon

Keep an eye out for the Warwick SHS Online Art Gallery on the school Facebook page. The gallery showcases pieces of Year 7 to 12 students' work from Semester 1 2025 and some from Semester 2 2024.

BUZZ DAY

Buzz Day was held on Thursday 21 August. Buzz Day is a fun day of activities for Year 5 feeder school students. The day is designed to get students excited for high school and for them to feel more comfortable in their transition to high school. The day was attended by East Hamersley, Glendale and Greenwood PS, whose students feed directly into Warwick SHS.

Hillarys Yacht Club

(08) 9246 2833
selina@hillarysyachtclub.com.au

Free Tackers Sailing Experience is an opportunity for kids aged from 7 to 12 years old to have a go at sailing a Tackers boat in the safe, protected waters of Hillarys Boat Harbour (near the foot bridge). Qualified instructors and assistants will be in the water with the sailors, guiding and helping them to have a fun-filled exciting experience on the water.

No previous sailing experience is required, and they don't need to be a member of a sailing or yacht club to participate, to have a go. It's FUN! It's FREE!
